Deep Cleans Where Brushing Misses

Add to brushing
for **5X MORE**
cleaning power.[^]

No other branded mouthwash offers this unique, essential oil formula that **reduces plaque** and **helps keep your mouth clean and healthy**. Our fixed combination of eucalyptol, menthol, methyl salicylate, and thymol continues to **deliver results**.

- ◆ **Eucalyptol** - Derived from trees usually found in Australia, this essential oil acts as both an antibacterial and antifungal agent.
- ◆ **Menthol** - Identical to menthol found in natural corn mint, this essential oil is known for its germ-killing properties.
- ◆ **Thymol** - Identical to the thymol in natural thyme and ajowan herb, research continues to demonstrate this essential oil's effectiveness against bacteria.
- ◆ **Methyl Salicylate** - Identical to the methyl salicylate in natural wintergreen, this essential oil is also often found in chewing gum due to its fresh-flavouring properties.

*Euromonitor International Limited; Beauty and Personal Care 2026 edition, per Mouthwashes/Dental Rinses category definition, retail value RSP, 2025 data.

[^]With 12-weeks continuous use, sustained plaque protection above the gumline after a dental cleaning. Rinse is not intended to replace brushing or flossing. Use only as directed.
